Dear Ms. Hinds:

I am pleased to inform you that at its June 6, 2024 meeting, the Colorado Commission on Higher Education voted to renew authorization for Artios Christian College as a Religious Training Institution under the Degree Authorization Act, C.R.S., 23-2-103.3 (4).

As a reminder, the operational authorization for Seminaries and Religious Training Institutions is for bona fide religious postsecondary educational institutions to offer only programs which are religious in nature. At no time is the College authorized to offer any secular program. According to my files, Artios Christian College is authorized to offer:

- Certificate of Leadership Studies
- Associate of Christian Leadership
- Bachelor of Arts in Christian Leadership

The renewal of authorization will expire again in 2027. Artios Christian College will receive an alert and an invoice in 2027 for the renewal of authorization as a Religious Training Institution, if such renewal is applicable.

Thank you for your continued compliance with the Degree Authorization Act.

Sincerely,

Heather DeLange
Director
Office of Private Postsecondary Education
